Steve!
Good idea!
Perhaps we can
negotiate a few
"free" months if we
pay for 1 year up front!
Let me know
what you think?

RE: *STORAGE FACILITIES*

Diane & Gentlemen:

Your assistance is requested to review the attached listing of storage facilities and to verify that each is still valid and practical. This process is ongoing and we need to ***continually*** evaluate the effectiveness of our resources .

Please notice that some locations do not have a SR and/or a RR designated as a ship to location. The question is are these locations valid and do we still need to maintain? Should you determine certain locations are no longer active, please contact Eileen in the ROU and handle accordingly.

As always, your assistance is appreciated.

Sincerely,

Stephen
